NewsLINK Group: _____

Print or Digital? We say both.

Digital magazines are not competing with print — they have their own, very solid place in the mix of marketing and communication campaigns. Digital publications provide a different kind of reader engagement, as opposed to the more immersive reading that happens with print, which is why most readers (a full 87%) prefer both.

Readers have access to digital content anytime, anywhere because most people are not far away from their mobile devices, which adds to the immediate accessibility of messaging via digital media. Technology has enhanced the way we communicate with one another, find information and experience the world.

DIGITAL HAS EXPANDED THE POSSIBILITIES IN PUBLISHING AS WELL, WHICH IS WHY THE UTAH AUTO DEALER IS PUBLISHED IN BOTH PRINT AND DIGITAL FORMATS.

The Utah Auto Dealer offers these value added services to help you reach your target audience:

- A magazine website that includes your logo linked back to your website
- A built-out digital version of each issue that includes options for social sharing, a downloadable PDF and a flipping book for those who prefer swiping
- An additional email distribution of the publication, so NCDU members and magazine readers will enjoy the benefits of both print and digital experiences
